

Sweet Tea Catering

We are passionate about food. Start to finish, we understand what it takes to deliver beyond your expectations.

At Sweet Tea Catering, we have gone the extra mile. When you book us for your event we bring years of experience with us. In that experience, we have learned that we need tools and you may need things as well. At Sweet Tea Catering we can provide tables, plates, flatware, tablecloths, drink dispensers, cold drink storage and a whole lot more. When booking an event with us, we will go over your event needs and make sure all of our equipment is available for you.

With a long and prosperous career in the food business, we at Sweet Tea Catering believe that we are prepared to exceed your event expectations. We are a small catering company but not because we can't grow. We believe in detail, and detail takes time. We will not rush a job, and we will not overlook any detail of your event. If you like food, family, friends and fun, then you are who we are looking for.

Please consider contacting Sweet Tea Express Catering when planning your next event. We look forward to having a conversation with you and yours.

PASTA BAR:

If you like pasta and want a fun experience, you will love our Pasta Bar! Let's face it. We love to "wow" your guests.

We bring two 6-foot tables, 6 burners, 6 sauté pans and 13 ingredients together to build our beautiful Pasta Bar.

Start with Penne pasta. Add one of three sauces (Marinara, Alfredo, Pesto), one of three meats (Meat balls, Chicken, Shrimp), choose your veggies (Spinach, Mushrooms, Sun Dried Tomatoes, Red Peppers, Broccoli, Green Onions), or any other vegetable you would like to add. Top it off with Parmesan cheese to your liking.

With 6 sauté pans working, we can feed your guests very quickly, and they will each have customized pasta dishes.

Everyone eats what they want, the way they want it. Average cooking time is 15 minutes. That means we can feed 200 people in about 45 minutes. It is just as fast as a buffet line. If you are all about making memories and having a uniquely different event, this is the way to go for you.
